As an adult learner, we understand your needs are different and we know there are things South Central College can do to help ensure your success.

That's why we are proud to be a part of MN Reconnect, an individualized program specifically for students like you.

MN Reconnect helps adult learners take advantage of specialized services and return to college to finish their studies.

Through MN Reconnect, adult learners at South Central College can take advantage of:

- Reconnect Scholarships of up to \$1,000 each semester exclusively for adult learners from the SCC Campus Foundations
- Potential to earn college credit for the knowledge you've gained in the workplace, military or elsewhere through SCC's Credit for Prior Learning program
- Assistance applying for financial aid
- Online and in-person tutoring options
- Personalized student support services

I'm Samantha Campa, the Adult Learner Advisor at South Central College. As your personal navigator, I can help you identify and address the barriers standing in the way of you completing your education. Together, we can design a plan that will lead to your success, and we will continue to meet until you finish your program.

If you are concerned about tuition, **I can help you apply for the more than \$150 million in state and federal grants available each year to adult learners.** These funds can make college much more affordable for you. Find out more by sending me an email or giving me a call. I look forward to working with you.
