**TO FINISH
YOUR DEGREE**

THERE'S NO TIME LIKE THE PRESENT TO FINISH WHAT YOU STARTED.

As an adult learner, we understand your needs are different and we know there are things Riverland Community College can do to help ensure your success.

That's why we are proud to be a part of **MN Reconnect**, an individualized program specifically for students like you. MN Reconnect helps adult learners take advantage of specialized services and return to college to finish their studies.

I'm Amy Wagner, the Academic Advisor at Riverland Community College. As your personal navigator, I can help you identify and address the barriers standing in your way to completing your education. Together, we can design a plan that will lead to your success, and we will continue to meet until you finish your program.

If you are concerned about tuition, I can help you apply for funds that are available to you. In addition to state and federal grants, **eligible adult learners can receive up to \$1,000 per semester through the MN Reconnect Scholarship** to pay for tuition, books, childcare or transportation. These funds can make college much more affordable for you.

Find out more by sending me an email or giving me a call. I look forward to working with you.
